COMMISSIONERS COURT ACTION REQUESTED

It is requested that the Commissioners Court approve renewal of RFQ NO. 2022-044, Annual Contract for Professional Engineering and Planning Services, for the second optional twelve (12) month period at the same contract terms.

BACKGROUND

On January 18, 2022, the Commissioners Court, through Court Order #137286, awarded RFQ No. 2022-044, Annual Contract for Professional Engineering and Planning Services, for Transportation Services, to the following vendors:

DEC - North Texas, LLC (formerly Dannenbaum Engineering Company)
Freese and Nichols, Inc.
Multatech Engineering, Inc.
Pacheco Koch Consulting Engineers, LLC
Parkhill
Teague Nall and Perkins, Inc.
TranSystems Corporation, d/b/a TranSystems Corporation Consultants

The awards were based upon each firm's qualification package and contained options to renew for three (3) additional twelve (12) month periods.

On November 22, 2022, the Commissioners Court, through Court Order #139769, approved the first renewal option.

This contract aids Transportation Services in the selection of engineering firms for planning, environmental, and fleet management services for the duration of the term. Firms are pre-qualified so when the need arises for their services they are contacted by Transportation Services and negotiations pursue.

The firms notified Purchasing in writing that they will extend the same contract terms through January 24, 2025. Transportation Services notified Purchasing in writing that they are pleased with the vendors listed above and want to renew.
