SHARE HISTORIC RESOURCES SURVEY DATA - ARCHIVES**

***** CONSENT AGENDA *****

COMMISSIONERS COURT ACTION REQUESTED

It is requested that the Commissioners Court approve an Interlocal Agreement (ILA) between Tarrant County and the City of Fort Worth to share historic resources survey data.

BACKGROUND

Tarrant County's Office of Historic Preservation and Archives (Archives) is currently undertaking a project to create a GIS map of historic resources across Tarrant County, which will be made publicly available on the Tarrant County website. To achieve this goal, survey data from various surveys is being compiled.

This ILA facilitates and memorializes cooperation between Archives and the City of Fort Worth's Historic and Cultural Landmarks Commission to share and distribute historic resources survey data as follows:

1. The City of Fort Worth's Historic and Cultural Landmarks Preservation Commission completed an updated historic resources survey in 2015 and has agreed to share that data with Tarrant County for inclusion on the GIS map.
2. The City of Fort Worth has also agreed to share future data associated with the City's Historic Resources Survey updates.

The Criminal District Attorney's Office has approved this ILA as to form.
